## Our Services

**Savage Range Systems** offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, steel target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail®** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

## Rubber Traps

Our **Wet Snail®** technology provides the cleanest, safest and lowest maintenance trap possible. However, if you have budgetary or space constraints, we offer **Rubber Traps** as an alternative.

## Recent Installations

Recently installed traps and ranges include:

- Pope AFB
- The City of The Colony

Recently installed shoot houses and target systems include:

- Camp Lejeune

## Warranty Reminder

Altering or modifying our products, or using them in an inappropriate manner not only **voids any warranty**, but **may be unsafe**. If you are tempted to change the product or its use in any way, please call us.

## Tabletop Gunsmith

With gasoline prices rising, the **GT** can save you time and money by enabling test firing without having to drive to a range. The **GT** handles low volume feed and function testing up to 4,100 FPE. For moderate to high volume feed and function testing up to 8,100 FPE, our **GD** (\$4,695) is the trap of choice. Additionally, the **GHD** (\$7,975) handles high volume feed and function testing up to 13,000 FPE.

## NRA RDOC

We will be present at the next **NRA Range Development and Operations Conference** which will be held in Buffalo, NY, June 4<sup>th</sup>-8<sup>th</sup>.

The conference provides an excellent opportunity for existing and prospective range operators to expand their knowledge regarding building and maintaining a shooting facility.

Topics covered include:

- Developing business and master plans
- Public hearings and zoning boards
- Environmental sound
- Insurance
- Range maintenance
- Range safety

For more information, contact **Kara Schlifke** at [KSchlifke@nrahq.org](mailto:KSchlifke@nrahq.org) or 703-267-1276.

## Boxtrap On Sale

We have one pistol rated Boxtrap available at **\$9,995!** This is a **fantastic price**. Currently our rifle rated trap sells for **\$26,995**.
