Our Services

Savage Range Systems offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, steel target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail®** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

New Catalog

The new catalog incorporates our most recent product introductions, including the **Nexgen Target Control System** and new **Shooting Booth** options. It can be downloaded from our website at www.savagerangesystems.com or, if you prefer a hard copy, please contact us at info@savagerangesystems.com.

Recent Installations

Recently installed traps and ranges include:

- BVAC
- CBPS Rigaud
- Midwest Gun Works
- Remington Arms
- Tactical Firearms

*"New Savage Range
Systems Catalog"*

LouKa Tactical

We are now sponsoring **LouKa Tactical**.

Louka Tactical is a performance improvement consulting and training group providing customized training that meets the needs of their customers; particularly in the area of specialty units and females. Also, through **Building Warrior Women**, they conduct custom training events for women in Public Safety.

To view updated course schedules go to www.loukactical.com , or call 734-260-2975.

ISO Recertification

"ISO Recertification"

We have successfully passed our recertification audit by Intertek, and continue to enjoy **ISO 9001:2008** certification. The quality management system is applicable to the **Design, Manufacture and Installation of Shooting Ranges, Shoot Houses and Target Systems**. Original certification was attained in May 2009.

Hi-Power Flopper

At our **SHOT Show** booth, the **Hi-Power Flopper** drew a lot of attention. It is a self-setting sniper training target. When one plate is hit and falls, a second plate presents itself. No reset needed. It is ideal for long-distance rifle shooting. Minimum distance: 200yds. Maximum velocity: 3000fps. **Model HPF-540** sells for \$390.

Blue Line

Please join us in **Markham, Ontario** at the **Blue Line Trade Show**.
