"Happy Holidays!"

Our Services

Savage Range Systems offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail™** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

Happy Holidays!
