INSIDE THIS ISSUE

- 1** Our Services
- 1** Vacation
- 1** Recent Installations
- 1** Convert Guns and Ammo to Cash
- 2** Forensic Buddy®
- 2** NRA RDOC

Our Services

Savage Range Systems offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, steel target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail®** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

Vacation

We will be closed for 2 weeks during our annual Plant shutdown, commencing end-of-day Friday, July 1. We will re-open on Monday, July 18

Recent Installations

Recently installed traps and ranges include:

- Cary Police Department
- Consolidated Forensics Lab

Recently installed shoot houses and target systems include:

- San Salvador

Convert Guns and Ammo to Cash

If your agency is lacking funds to purchase our equipment, we may have a solution. Working with **PoliceTrades.com**, we can help convert your unneeded guns and ammunition to cash. The program works for duty guns, confiscated and surrendered guns, and Class 3 firearms. Ammunition must be in case lots. Please contact us for complete information.

"Recent Installations"

Forensic Buddy®

Our **Forensic Buddy®** was a hit at the recent **AFTE** conference in Chicago. The specially engineered bullet trap is designed to absorb the energy of a bullet, while the bullet's integrity remains intact. Whether used in the lab or as a portable unit, the unique ballistic media carefully collects a specimen, resulting in a clean, accurate view of Land and Groove impressions. When you need the best specimen for microscopic comparison, the **Forensic Buddy®** has no equal.

Forensic Buddy® \$3,195

NRA RDOC

We will be present at the next **NRA Range Development and Operations Conference** which will be held in Reno, NV, October 15th-19th. The conference provides an excellent opportunity for existing and prospective range operators to expand their knowledge regarding building and maintaining a shooting facility.

Topics covered include:

- Developing business and master plans
- Public hearings and zoning boards
- Environmental sound
- Insurance
- Range maintenance
- Range safety

For more information, contact Kara Schlifke at KSchlifke@nrahq.org or 703-267-1276.
