"Director of Sales"

Savage Range Systems offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail™** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

Personnel Update

Paul W. LaFrance has joined us as **Director of Sales**. Having served as a **Special Forces** officer and **SWAT Team Commander**, Paul is uniquely qualified to communicate with the military and law enforcement markets. Additionally, Paul is no stranger to the shooting range industry, having spent a decade with **Range Systems** and the past year with **MGM Targets**.

Recent Installations

Recently installed traps and ranges include:

- Cannon AFB
- Gateway Gun Club
- Hiller Sports

Recently installed shoot houses include:

- DOE National Training Center
