*"Air Barrier System"*

---

**Savage Range Systems** offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, steel target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail®** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

## Air Barrier System

Our patented **Air Barrier System** utilizes its own makeup air and does NOT affect the range pressure. This results in a much better steady-state range negative pressure than provided by competitors' systems. A video showing how our **Air Barrier System** works can be viewed on our website [www.SavageRangeSystems.com](http://www.SavageRangeSystems.com)

## Recent Installations

Recently installed traps and ranges include:

- Camp Stanley
- Douglas County Sheriff
- Denton City
- Kadena AFB
- Kings Bay NSB
- Maxwell AFB
- Patriot Arms
- Taurus
- York Regional Police
- Westley Richards & Co

Additionally, we supplied baffles to Al Udeid Air Base.

*"Recent Installations"*

---

## Personnel Update

Betsy Goepfert has relocated, and Nancy Bristol has assumed the role of Customer Relations Coordinator. Christina Hockenberry has joined us as Sales Support Assistant.

## Steel Target Safety Guide

Our Steel Target Safety Guide has been updated, and can be downloaded from our website [www.SavageRangeSystems.com](http://www.SavageRangeSystems.com)

## Shoot House Instructor

Team One Network uses our steel targets to train Law Enforcement personnel. Their next Shoot House Instructor training courses are scheduled for October 19-20 in Yuba City, CA and December 13-15 at Kennedy Space Center, FL. Tuition is \$450. To register, please contact Team One Network directly at 540-437-7277 or [info@teamonenetwork.com](mailto:info@teamonenetwork.com)

## NRA RDOC

The next NRA Range Development and Operations Conference will be held in San Antonio, TX, October 9<sup>th</sup> -13<sup>th</sup>. This provides an excellent opportunity for existing and prospective range operators to expand their knowledge regarding building and maintaining a shooting facility.

Topics covered include:

- Developing business and master plans
- Public hearings and zoning boards
- Environmental sound
- Insurance
- Range maintenance
- Range safety

For more information, contact Kara Schlifke at [KSchlifke@nrahq.org](mailto:KSchlifke@nrahq.org) or 703-267-1276.
