Savage Range Systems offers total range solutions for the finest, safest, and cleanest, lowest-maintenance shooting ranges, bullet traps, target systems, and 360-degree shoot houses. Bullet traps utilizing wet **Snail™** technology, combined with low angle ramps and 360-degree deceleration chambers, safely capture bullets while virtually eliminating splatter, ricochet and airborne lead. Specializing in custom systems, including fully-automatic .50cal BMG, **Savage** is the choice for military and law enforcement agencies nationwide, commercial and private shooting ranges, and for virtually every firearms and ammunition manufacturer.

TacOps East

Please visit our booth in Arlington, Virginia at Tac-Ops East on September 3rd and 4th. For more information about this event please go to www.tacopseast.com

NRA RDOC

"NRA RDOC"

We will be present at the next **NRA Range Development and Operations Conference**, being held in Cincinnati, OH, September 20th-23rd. The conference provides an excellent opportunity for existing and prospective range operators to expand their knowledge regarding building and maintaining a shooting facility. For more information, contact the NRA at range@nrahq.org

Online Store

You have the ability to order a selection of parts and products online. Our Online store can be accessed through our website www.savagerangesystems.com

Note that you can also download **maintenance manuals and guides** from our website.

Product on TV

Ammo and Attitude used some of our steel targets in the filming of segments airing in November. Watch for details in our next newsletter.
